

A Prayer Summit

A summit is... a four-day worship experience, which can be life changing. It is attended by a diversity of Christian leaders from a specific geographic community. Our sole purpose is to seek God, His Kingdom, and His righteousness. The expectation is that God will create and guide us through a humbling, healing, and uniting process, which will lead us into a unity of heart, mind, and mission.

Activities... There is no set agenda except the times set for meals. We will pray and respond to the leading of the Holy Spirit, Who is our speaker for the Summit. There will be time to seek the Lord singly, in small groups, and as a corporate community.

Facilitator's... International Renewal Ministries (IRM) will provide a team to help us stay focused during our Prayer Summit. IRM is a ministry designed to serve Christian leaders. Learn more about IRM at www.prayersummits.net

Let us draw near and listen with one mind that we might act with one heart for the sake of our community.
